SSFD

OPERATIONS

- Responded to 255 calls: Three Fires, 78 EMS, 23 Service, 120 Good Intent, 25 False Alarms
- Units responded to reports of an activated fire alarm in the 700 block of Hammond Drive. A representative from the building's staff met the crew in the front of the building and advised that there had been reports of smoke in some of the upper most floors of the building. Personnel went to the 32nd floor to investigate and found water flowing from a trash chute sprinkler head on floors 32, 30, and 28, as well as in the trash chute room of the 32nd floor. No signs of smoke or active fire were noted. The crew isolated the sprinkler supply pipes on floors 32, 30, and 28 by closing the valves at their respective stairwell's access point. The fire alarm system would not hold a successful reset, so the crew left the system in silence mode. Personnel turned off the fire pump so that the pump would not overheat. The building's concierge was instructed that a fire watch would be needed.
- Units responded to reports of an apartment fire in the 100 block of Cliftwood Drive. Crew arrived to the large wood frame apartment building with no fire showing from the exterior. The crew was informed that a cooking fire had been extinguished by the fire sprinkler system. Crewmembers entered the affected unit to ensure the fire was fully extinguished. Personnel opened windows and balcony doors in the unit for smoke removal. The crew also used a fan for positive pressure ventilation to remove smoke.

INSPECTIONS

- There were 203 inspections conducted with 68 violations cited.

HEALTH AND SAFETY

- A new SSFD Fitness Initiative Program is underway.

EMERGENCY MANAGEMENT

- The City submitted an application to Fulton County for a second round of CARES grant funding.
- SSFD assisted in set up and the CORE Testing Site is operational through Sep 18, 2020.
